NICHOLASVILLE KY 40356

OPTIONS FOR JESSAMINE COUNTY RESIDENTS:

In an effort to make it safer for the residents of Jessamine County to renew their vehicle registration(s) with the office of the Jessamine County Clerk, I would like to offer the following options to all of you who will have an expired vehicle registration in March and April.

- (1) We can process your renewals over the phone by taking a credit card payment.
- (2) Unless your registration has expired, you can go to <https://secure.kentucky.gov/kytc/renewal> , look for the tab that says "Title/Register/Renew a Vehicle," enter your VIN and credit card number, and you have just renewed online.
- (3) Of course, you can always mail your unexpired registration(s) to the Clerk's Office address that is listed on your courtesy renewal card that you received from the Department of Transportation.

These options to renew registration(s) by phone and mail are available as long as the Jessamine County Clerk's Office is Open. If we were to shut down due to an Executive Order by the Governor, you could still use the online renewal option and we would mail your tags/registration as soon as our office is back in operation.

If you need to register to vote, check your registration, or find your polling location you can go to www.GoVoteKY.com or www.sos.ky.gov to do these things.

Let's all work together during this time of uncertainty and we appreciate your patience in this matter.
